## Services

### PROVIDING A ROOF (PAR)

Providing A Roof (PAR) is our on-site, eighteen bed, co-ed, emergency shelter for youth aged 16 to 25.

### OUTREACH

Meeting youth where they're at, and providing for immediate need.

### DROP-IN / FOOD HAMPERS

Essential needs are met through our daily "drop-in" (i.e. showers, clothing, meals, hygiene products, etc.)

### FAMILY RECONNECT

Mediating a return to home or reconnection to extended family.

## HOST HOMES

The Host Homes model is recognized as a best-practice in Prevention & Diversion strategy, filtering low acuity youth away from shelter and into local households.

## THE S.E.E PROGRAM

Streets to Employment & Education (SEE) invites youth to participate in a 16 week program, funded by the Government of Canada. This program gives youth the opportunity to gain job skills and certifications to better transition into the workforce.

## COUNSEL & SUPPORT

Support and case management by trained staff and volunteers help youth deal with issues such as abuse, suicide, self-harm, family conflict, housing and employment.

## RESOURCES, TRAINING, ETC.

Education in the following areas: financial literacy, sexual health, relationships, cooking, problem solving, and life management, etc.

## COVID-19 RESPONSE

The health and safety of our staff and youth has always been our top priority. We will continue to adhere to public health guidelines, now and into the future.
